

Range Rules

Range Maintenance of ANY kind takes precedence over individuals shooting. If work is scheduled or in progress, that range or possibly the entire club will closed until completed. Range closures will be posted in the events calendar

These rules have been established for your safety, to protect our facility and our neighbors. Remember this club belongs to you and the rest of the members. Please obey all rules and report infractions. Members are not enforcers just observers, always be respectful, always be safe. If you observe a member making or causing an infraction, note or ask for the members number or vehicle license plate and send it to us. Our staff will handle the situation. You can contact a Club Officer or Board Member using our confidential form.

ALL GUESTS MUST SIGN A ONE DAY WAIVER.

Waivers are located in the lower range lot kiosk and vestibule to the clubhouse.

If you come to a multi-day event, you need a new form signed and dated each day.

Keep the yellow copy with you while on club property
